

## Food Service for the 2023-2024 School Year

As we welcome students back for the 2023-2024 school year, we want to remind you about the benefit of school meals, which continue to be some of the healthiest meal options for students. Our mealtimes feature kid-approved foods and are an important part of the learning day.

We are pleased to inform you that we will be participating in the Community Eligibility Provision (CEP) as part of the National School Lunch and School Breakfast Programs.

The **GREAT NEWS** is that **ALL** students enrolled at our school can receive a healthy breakfast and lunch at **NO CHARGE** to your household each day. However, your student will need funds on their account if they plan on getting extras or ala carte items.

In place of the Free and Reduced-Price Meal Application, we still need your household to complete a Household Information Report. This report is critical in determining the amount of money that our school receives from a variety of State and Federal supplemental programs like Title I A, At-risk (31a), Title II A, E-Rate, etc.

### **ADULTS**

LUNCH \$5.10

Parents or guardians can submit this Educational Information Report online or in person at your child's school office. To apply money to your students account for ala cart and extras, simply go to [morrice.familyportal.cloud](https://morrice.familyportal.cloud) and register.
