## TEACHER COVID-19 GRANTS AND SCHOOL SUPPORT COVID-19 GRANTS NOTICE

Morrice Area Schools has created a listing of individuals that are qualified to receive the Teacher and School Support COVID-19 Grant that were employed by the District for the 2019-2020 school year.

Those employees that are still currently employed with the District received an email with the qualified recipients listing and the Form 5734 that must be returned to the District by December 4, 2020.

For those individuals that are on the qualified listing that are no longer employed by the District, a letter outlining the eligibility along with Form 5734 was mailed on October 28, 2020 to the last address on file.

If you do not have access to email, please call 517-625-3142. Arrangements can be made for you to obtain a copy of qualified listing (note: this will only be allowable if you are listed as a current or former employee and can provide verification information). Any requests for appeal related to the qualified listing MUST be in writing and received before 4:00 on December 4, 2020.
