

Good Afternoon Morrice Virtual Families,

We'd like to provide you with some updates as we prepare for starting our online program on Monday, August 31st.

1. If your student needs a Chromebook to participate in their online learning, please contact the office at 517-625-3143 ext. 2 to request a device pick up time. Students and parents need to complete the request form in order to receive a device and charger.

2. **To login –**
 - a. Go to canvas.gennet.us
 - b. Don't try to enter your email or password on this page. Select the "Login with Google" icon in the middle of the page.
 - c. Use your school issued Google email and password to sign in.
 - d. The dashboard will show all of your classes once they're loaded.

3. The following link is a learning resource for parents and students.

morrice.k12.mi.us/oriolenestonline

This site provides information for both Canvas (the online learning platform) and Accelerate Education (the curriculum students will be using). You will find information about the following;

- Learning Coach Resources
 - Helpful videos for students and families
 - K-5 Family Overview
 - 6-12 Family Overview
 - Tips for Success
 - Safe Workspaces
 - Quick Start Guides
 - Learner Support Tools
4. With our online learning platform, parents are considered Learning Coaches. It is very important that you access the above content to get a better understanding of how you can assist your student.

 5. Morrice staff members are available every day, beginning at 2:15 p.m. to address any questions, concerns, or to simply touch base.

Thank you!
