

Welcome

Dear parents and Guardians,

I am pleased to welcome you to the 2021-2022 school year! I am looking forward to having your child in my classroom this year. We have a bright and exciting school year ahead of us. I want you to know I care very much about your child's education and will strive each and every day to give them a safe learning environment. I am completely committed to your child's well-being. Your child contributes to our class in many special ways! I am thrilled to have your child be part of our classroom.

Parents are the driving force in their children's lives. Please show your support by asking your child about the school day and making sure assigned homework is completed and returned to school. Watch for school calendars and other classroom communications in your child's back pack every day.

The key word this year will be RESPONSIBILITY. In the fourth grade, it is very important for your child to be responsible for his/her schoolwork, behavior, and ultimately, their academic success. I will need your help in this endeavor.

I hope all of you have had a wonderful summer! I enjoyed spending time with my family and friends. I am excited to hear all about your summer. Please think about all of the amazing things you have done and be prepared to share the first week we are back at school. I can't wait to hear all about your summer.

Supply List:

When you come to school on August 19th, be sure to bring the following supplies:

- pencils and erasers
- 2 dry erase markers and a dry eraser
- glue (or glue stick)
- crayons, markers, and/or colored pencils
- scissors
- two boxes of Kleenex for our classroom
- ruler – wooden or plastic
- loose-leaf lined paper – 100-500 sheets
- 2 Clorox wipes

Additional classroom donations are welcome-

- Silverware
- Plates
- Plastic cups
- Ziploc bags

Now on to other important issues – snack breaks! We will take a healthy snack break sometime during the mid-morning. Please feel free to send fruit, nuts, yogurt, cheese, roll-ups, crackers, etc. Students may also have a plastic water bottle (water only, please) to keep on their desks. Since there is a chance that we'll have physical education on the first day of school, you should wear gym shoes or bring them with you.

I look forward to meeting you at our Open House. Please reference the letter from Mr. Pouch, our superintendent, for the date and time. I am very excited about this school year and I hope you are too! We will be doing so many wonderful and fun things! I welcome YOU to the Fourth Grade! Enjoy the rest of your summer and I will see you soon!

Sincerely,

Ms. Brant

*Enjoy
your
summer*
