

Meet Your TEACHER

Mrs. Kidd

Hi! My name is Mrs. Kidd and I am so excited to be your teacher this year! This will be my first year teaching in Morrice as well as 1st grade! I have taught preschool for 10 years and am super excited to share my love of learning with you! I earned my Bachelor of Science in education with early childhood endorsement from Baker college and I have a Masters of psychology for applied behavior analysis and educational psychology from Capella University.

I live in Laingsburg with my husband Josh, our 2 kids Lucas (14) and Jordyn (13), and 2 pit bulls Karma and Caesar. We love being outdoors together enjoying the sun and nature exploring the beauty of Michigan!

Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, please feel free to contact me with any questions, comments, or concerns you may have.

Welcome to 1st Grade!

I know last year was pretty tricky, and for some very hard emotionally. First grade will be filled with fun new learning experiences, we will grow together each day through various learning experiences, stories, and laughter. I can't wait to get to know each one of you, our classroom is a family and we will have a blast learning and growing together!

Communication is key, and because of this please be sure your child is bringing their backpack to school everyday and that you check for information in folders each day as well. Each Friday I will send home weekly newsletters with classroom information, so please keep an eye out for this. I will also have a class dojo set up, this will be a great place to communicate with me and I with you. You are also welcome to email me at any time, I am usually fairly quick to respond, except weekends when I am with my family.

Below you will find a list of school supplies so you can be set up for success on your first day of school.
