

Soaring into 5th Grade!

Welcome to Mrs. T. Smith's Classroom.

The summer is just flying by. I am excited to welcome you and your family to 5th grade. I look forward to a very exciting and productive 2021-2022 school year. I am starting my 15th year here at Morrice. You will experience an incredible amount of growth and have many opportunities for great accomplishments and success throughout the year. Please feel free to contact me with any questions or concerns you may have so that together we can solve them as quickly as possible especially since we are in a time of so much unknown as I write this letter. I try to strive to be available as much as I can for my parents and students. I look forward to working together to give your child a great year. I am asking that the kids again this year, have their own set of school supplies. I am including a list of supplies that would be helpful for your child this year. Please let me know if you have any difficulties with anything on the list or if this is a hardship on your family. I am available on ClassDoJo or messenger.

I will be sending home at the beginning of the school year an informational sheet so I can start to get to know your child and a volunteer sheet. There are many ways you can volunteer to help our classroom so please watch for that to come home.

Suggested supplies:

- 3 composition notebooks (not the spiral notebook)
- Good supply of pencils and erasers
- 3-5 dry erase markers and eraser (old sock works well)
